

# Remover

Heavy floor cleaner

MADE IN SWEDEN

## CERAMIC SILICA

Ceramic Silica is one of the most durable, abundant minerals in the Earth's crust. Our ceramic fortification process allow us to create better, stronger and more durable finishes. Arboritec finishes penetrate deeper into the floor and are chemically bonded to the surface, enhancing the adhesion, strength and scratch resistance

PLEASE READ ALL INSTRUCTIONS AND SAFETY DATA SHEET BEFORE USING

## PRODUCT DESCRIPTION

Arboritec™ Remover is a heavy floor cleaner, specially formulated for removal of polish and wax. Remover dissolves water, oil, ethanol- and alkalinesoluble patches, and effectively removes rubber heel marks.

## DIRECTION FOR USE

Remove any dirt and debris that may scratch the surface. Apply an even coat using a cloth or a mop. When removing polish, leave on remover for a few minutes before scrubbing and properly rinsing with water (neutralization). Note: Rinse out all traces of the remover, since any residue may interfere with polishing. Use a fiber brush or red (or black) disk pad when using a machine buffer. Be very careful when cleaning oak parquet floors since discoloration may occur. Always follow the recommended dosage. Do not soak wooden floors, remove water immediately. The floor must be completely dry before screening and recoating.

### Recommended Dosage:

Heavy duty cleaning: 50 – 100 ml/10 l water

Polish removal: 500 – 1000 ml/10 l water

Polish removal Oak: 100 – 500 ml/10 l water

## TECHNICAL DATA

|                          |                                                                                           |
|--------------------------|-------------------------------------------------------------------------------------------|
| <b>Contents</b>          | Non-ionic surfactants: 1– <5 %, complexing and alkaline agents                            |
| <b>Packaging</b>         | 1L plastic bottle                                                                         |
| <b>Shelf life</b>        | 36 months in unopened bottle, store free of frost. Keep out of children's reach.          |
| <b>Cleaning of tools</b> | Thoroughly clean all application tools with water, right after using.                     |
| <b>Disposal</b>          | Never pour surplus finish down the drains. Dispose it in accordance to local regulations. |
